

SHEET NO. 3.  
APPROPRIATION NO 2000.

**ENGINEER'S CERTIFICATE**

1400 feet by 1000 feet, a civil engineer  
being first duly sworn, do hereby  
certify that this map, profile and  
drawings consisting of 3 sheets,  
numbered from No 3 inclusive, have  
been correctly drawn to the design-  
ated scales from the field  
notes of the survey made by me  
between May 1st and 10th, 1851,  
that they fully represent the ground  
as located and situated at the  
works used to make the road from  
Boulder City to the mines, known  
as the "Washburn & Friend's"  
Company for mining iron in Larimer Co.  
That the areas bounded and sub-divi-  
sions of the lots shown in the plan  
are as follows:—

10. *On the other hand, the author's* *own* *opinion* *is* *that* *the* *present* *state* *of* *the* *country* *is* *not* *sufficiently* *stable* *to* *justify* *any* *attempt* *at* *reform*.

**APPROPRIATORS CERTIFICATE.**  
I, Thomas A. Atkinson, being  
first duly sworn do hereby certify  
that I am the Secretary of the  
Washington Irrigation Company,  
who made an application to  
appropriate water from Boulder  
Creek in Summit County for  
irrigation purposes, that said  
application was filed in the  
State Engineers office as No.  
2812, and that the map, sketch  
and drawings are submitted to  
accompany the written plan of  
appropriation, containing the 148  
acres described and numbered before me  
this 1<sup>st</sup> day of

197  
Actinopterygii

between May 20 and Aug. 1963,  
that they fully and correctly represent  
the location and extent of the  
works used to divert water from  
Boulder Creek in Jefferson County  
State by the Washington Irrigation  
Company for irrigation purposes.  
That the area boundary and subdivisions  
of the land to be irrigated,  
the ground and drainage lines, the  
irrigation channels, the ditch  
and other features will be  
correctly located and drawn  
so as to fully and correctly  
designate all areas to be  
subjected and exempted from the  
17 day of August, 1961.

As aforesaid survey is made,

This I am the Secretary of the  
Washington Irrigation Company  
who made an application to  
appropriate water from Boulder  
Creek in Jefferson County for  
irrigation purposes that said  
application was filed in the  
Jefferson County Office of No.  
17 day of August, 1961.
